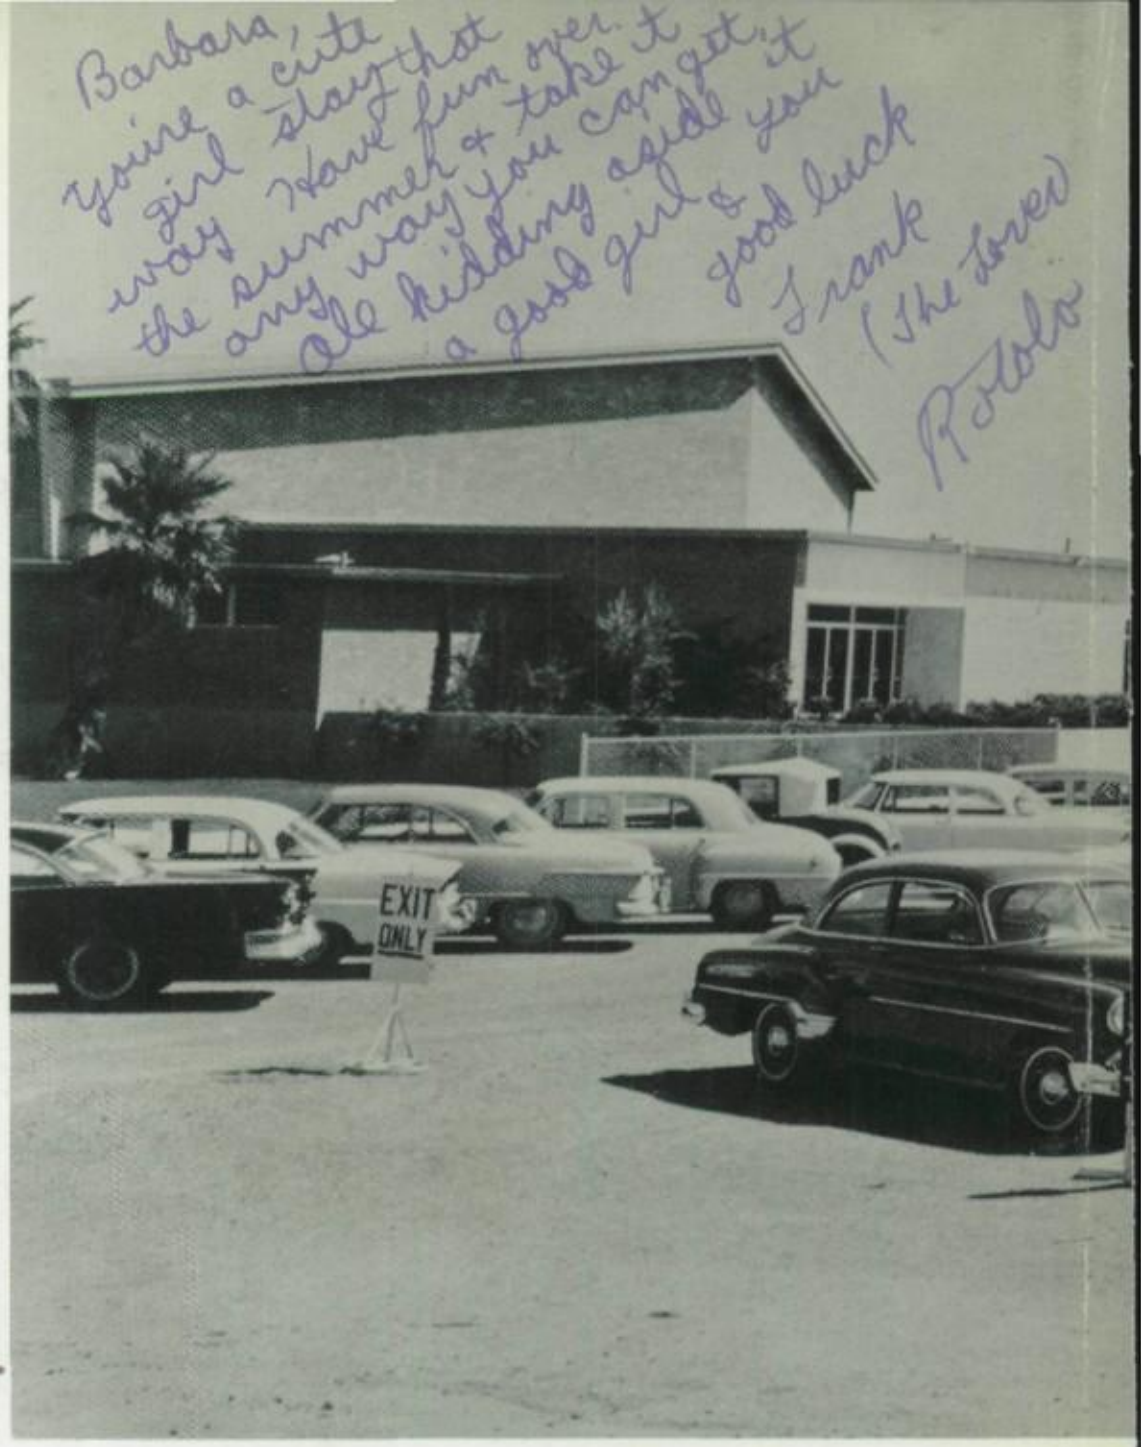
Prologue

Since early Greek civilization amphitheaters have had an important place in history.

In our Amphitheater today, as in the Greek amphitheater, people have taken part in the movements of plays. Either they have been a character of the play or they have observed it, but the meaning of those plays has changed completely through the times.

The "dramatis personea" of an ancient Greek play was always a king or god, but the common man was less than nothing. Today the roles have changed in the Amphitheater. Now the common man is most important.

Barbara,
You are a
sweet girl, and
I have enjoyed
working with you
Sam Ash



Prologue

Scenes of the plays in the modern Amphitheater are not supernatural but are actions about normal day to day life.

The purpose of the 1964 PANTHER TRAILS annual then is to describe through pictures, the different "skenes" of the plays which have taken place during the past school year.

1964 Seniors Honor Mr. DePascal

Dear Mr. DePascal,

The class of '64, remembering your many faithful years at Amphi, would like to give you something that only you will receive this year.

We remember your "fair" refereeing in the Harlem Clowns game, your remarkable aptitude as a cheerleader, and your astonishing campaign against smoking. And we have sympathy for your ulcer.

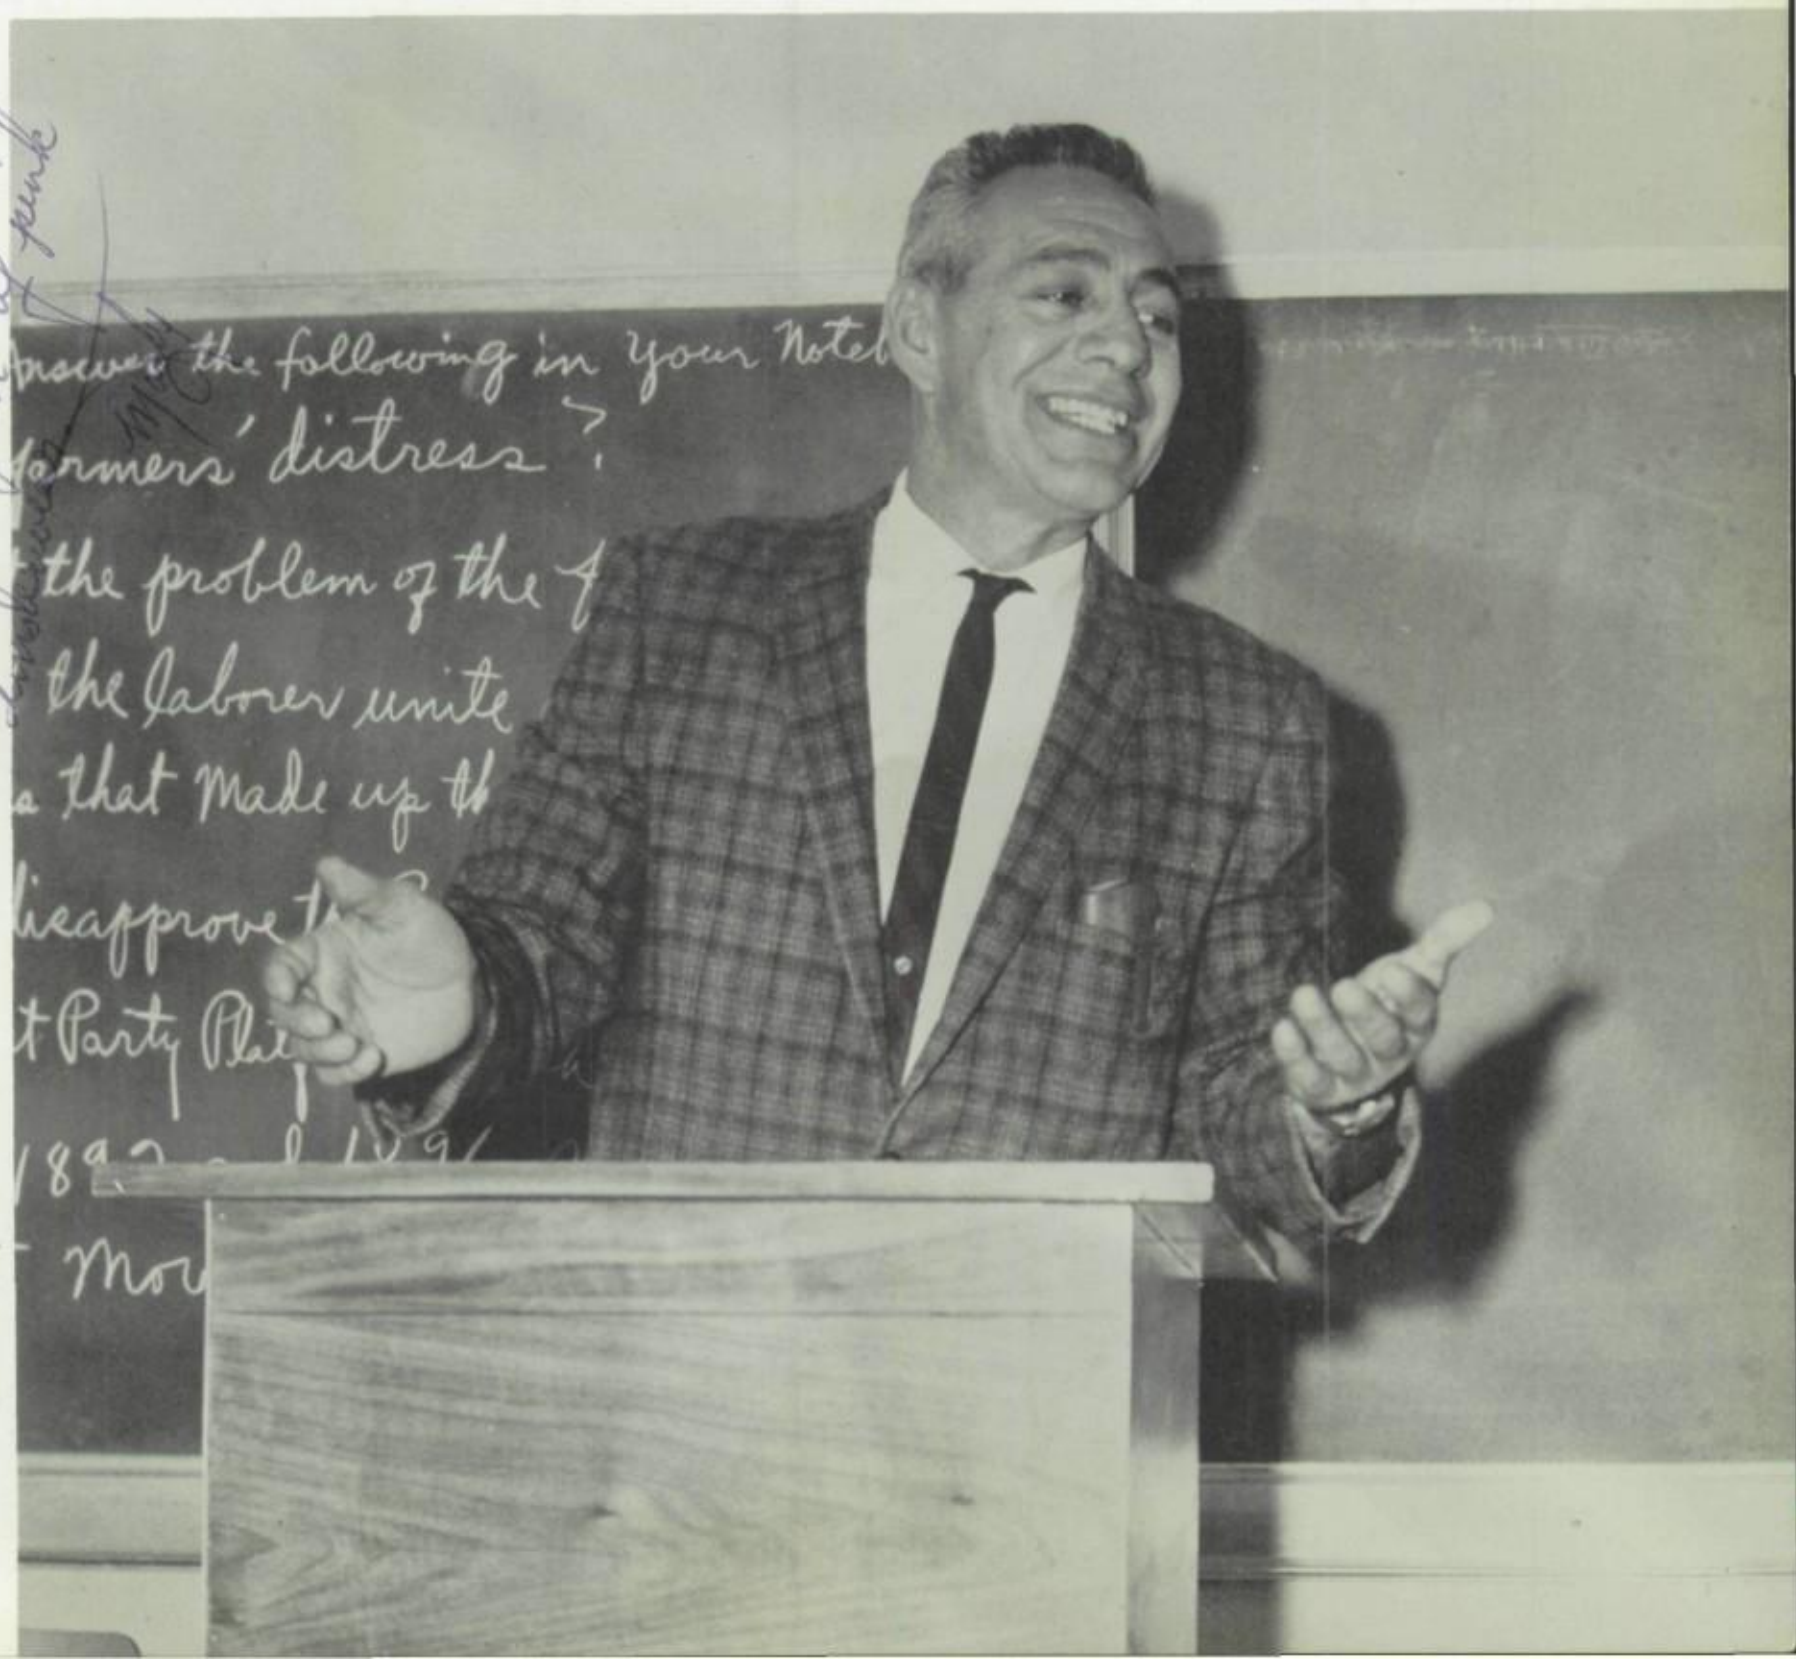
We will never forget how diligently you taught your classes in History, Driver's Training, and coaching.

Besides being a teacher, you have been our counselor and our friend.

For these and many other memories, the class of '64 wishes to dedicate this yearbook to you.

Very sincerely yours,
The Class of 1964

the nicest Broad in Tucson
Rick Davis



Barb,

To one of the best friends I have ever had. I hope we will stay friends and not let anything come between us. Good luck in your Senior year and all the years to come.

Darlene

P.S. Good luck with the opposite sex.

Mr. Cross Heads Amphi High School

Lawrence Cross, this year's principal, holds down two jobs in the Amphitheater school system. His first and primary job is the managing of Amphi. His other job is that of assistant superintendent.

He was principal of our school in 1958, but he resigned from the job when he was offered the job of assistant superintendent.

Mr. Cross has a B.A. from Fletcher College and a M.A. from the University of Iowa.

When asked how he liked the job of principal again he replied, "It gives me a lot of satisfaction in that I am close to the students themselves and to all of their many activities."

Barbara,

Well I guess I'll have to take you out to make love with you. Ha! Ha! Hope to see you around this summer.

Sincerely
Donny

Music

The Music department was one of the most important organizations at Amphi this year.

The chorus under the direction of William Funk planned many different activities. Instead of presenting a play or opera as they have in the past years, they decided to have more group performances; they included: concert trips to neighboring towns, the chorus part in the Nativity Scene at the Court House, and many local concerts.

The band, directed by Lawrence Wilson, had a very successful year also. Besides playing for all the football and basketball games, the bandsmen went all out and received the "superior" rating at Band Day in November at the U. of A. Their pet project this year was a fund raising program to finance a band trip.

Students

American Field Service is a program, which brings students from abroad to study in U. S. high schools and live with U. S. families for a year. The purpose is to create greater understanding between people of the world.

Ewa Wetterwik, from Upsula, Sweden, came to Amphi through this program. She is living with the Peyton Reavis family.

The Americans Aboard Programs are an outgrowth of American Field Service. It was started by return students, who wanted to give American teenagers a similar opportunity to understand another country. Each year four students from our junior class are chosen as American Abroad candidates. If they are selected on the national level, they will live with a family in a foreign country.

Susan Farquhar was an American Abroad student last year. She lived with a Brazilian family and attended a school in Vitoria, Brazil, for eight months.

Farzad Mogharabi, from Iran, is a senior at Amphi, who came to the United States on his own. He is now living with Mike Burney, an Amphitheater student, and he plans to attend the University of Arizona.

Lots of luck

Sophomore Class Officers

The bookstore was suddenly swamped with cans of candy that the ambitious sophomore class hoped to sell to make money. Planning ahead for next year's prom, the class worked hard to make their goal. Among the many projects accomplished, the sophomores supported their J.V. football team by making an attendance contest between homerooms with free tickets to the Sophomore Hop given to the winners. The sophomores borrowed the Gladiator's refreshment stand and sold refreshments to the J.V. football fans.

Reigning as Sophomore A-Day attendant was Bette Anderson, while David Loutzenheiser was the sophomore choice for "Most Eligible Bachelor." Completing the royalty for 1963-64 was Savilla Higgins, Rodeo Attendant.

Guiding the sophomores and helping to make their projects a success was their sponsor, Mrs. Nichols.

Class officers for the year were President, Susan Snodgrass; Vice-President, Lynn Lybeck; Secretary, Karen Rucker; Treasurer, Diana Townley; Representatives, Bette Anderson, Dan Fick, and Manfred Frannea.

One of the activities of the freshman class was the class picnic. It took place at Randolf Park. Everyone had a great time.

The freshman cheerleaders were Donna Hungerford, Laurel Stott, and Beverly Kier.

This year's freshman officers were Bill Palm, President; Erick Eckholm, Vice-President; Elaina Rickard, Secretary; Jon Nix, Treasurer; Laurel Stott, Janet Johnson, and Steve Weatherspoon, Representaties.

Babs Baby,

Here we are, almost Seniors, our turn is next, Kleed. It seems just like yesterday that we were (pardon the expression) "Punky Sophomores."

You been my best friend this year, Babs, and I am really greatful for all the help you've given me.

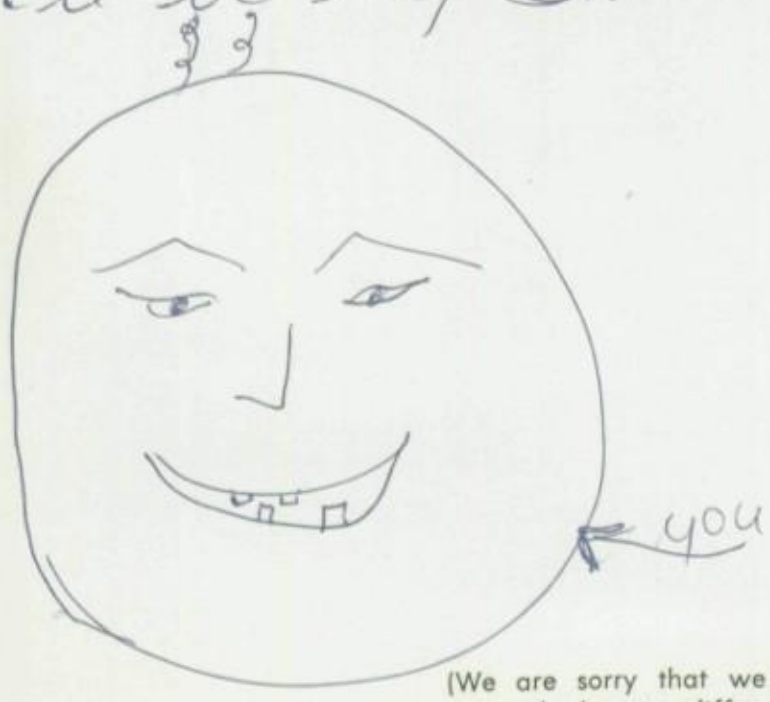
The fun we've had with all the guys is something I'll always remember about you (and also that your handwriting is as sloppy as mine).

I think Johnny is right when he says you're the "greatest." (He's a great guy, too.) Don't ever change, Babs Baby, and you'll never have to worry about having friends.

Be good, and have fun this summer with the "guys" (and me, too), when we come back next year we'll be big Seniors.

Love ya' much,

Maxie



(We are sorry that we could not print the names of the freshmen pictured due to different methods of production that we are unfamiliar with)

In Memoriam

In either mood, to bless or curse
God bringeth forth the breath of man;
No angel sire, no woman nurse
Shall change the work that God began.

One spirit shall be like a star,
He shall delight to honor one:
Another spirit He shall mar:
None shall undo what God hath done.
